imkamrul98@gmail.com

With **three** years of experience, I excel in JavaScript web development, specializing in **React.js**, **Next.js**, and **Node.js**. My robust **problem-solving skills**, keen attention to detail, and effective teamwork make me a valuable asset. I'm committed to staying updated with industry trends, ensuring continued excellence.

Skills

- JavaScript, TypeScript, React js, Next js, Redux, HTML5
- CSS3, SCSS, Tailwind CSS and Bootstrap
- Node.js, ExpressJS
- MongoDB, Firebase,
- Github, Crome Dev Tools, and Figma

Experience

Front-end Developer

Next Ventures

(March 2022–Present)

- Minimize unnecessary API requests by caching.
- Maintain component-level state wisely to improve performance.
- Implement secure and efficient payment gateways.
- Handle API errors gracefully for a smoother user experience.
- Elevate code quality through effective reviews and feedback.
- **Stack:** Next js, React js, TypeScript, Javascript, SASS, CSS, Tailwind, Ant Design

MERN Stack Developer

TrioX Technologies LTD.

(December 2022–February 2023)

- Lead end-to-end development using the MERN stack for seamless application integration.
- Design and maintain MongoDB databases for efficient data handling.
- Create RESTful APIs with Node.js and Express.js to connect the front-end and back-end.
- Craft responsive interfaces with React.js, prioritizing user experience.
- Stay updated on web development trends and best practices for project enhancements.
- **Stack:** React js, Javascript, Node Js, MongoDB, Express Js, CSS, Ant Design

Front-end Developer

UQIDEV Technologies

(January 2021–November 2022)

- Implemented RESTful API calls and handled responses to ensure seamless communication between the front-end and back-end systems.
- Create responsive and mobile-friendly web applications using modern front-end frameworks like React.js and Next.js.
- Developed multiple landing pages with a focus on conversion optimization and user engagement.
- **Stack:** Next js, TypeScript, Javascript, CSS, Tailwind

Few Projects

FundedNext [<https://fundednext.com/>]

- Collaborated closely with the team to develop the FundedNext dashboard, ensuring seamless teamwork.
- Developed a captivating landing page for the FundedNext dashboard.
- Integrated APIs to enhance data and functionality
- Implemented secure payment processing using the Stripe platform.

Stack: React js, Javascript, Node Js, MongoDB, Express Js, CSS, Ant Design
